Oh, sorry, I missed that.

Okay, so with them and possibly all of us plus vadeq if they come, do you think we would all fit in the big room on 5? Or should I try to get a bigger room on 4 somewhere?

Ok, great. Can you ask Tom how many people he expects and we can get a room?

Dennis:

Thanks. I will alert the Honeywell team and we will start making travel arrangements. If I recall correctly, we can fly from Richmond with an arrival time that should allow for an 11:00 AM start time, but I will confirm when we get the travel plans nailed down.

Tom

Tom,

My team is available for Wednesday, October 7th.

In addition to myself, the attendees may/may not include:

Kris Hall, Air Protection Div.

Zelma Maldonado, Air Protection Div., Assoc. Dir.

Donna Mastro (ORC Air Branch Chief)

Kate Kane, DOJ

Kerri Nicholas, VADEQ

I would suggest that we schedule a start-time around 10:30 AM, but I'll defer to you since you'll need to check your travel departure/arrival times. Let me know.

Thanks.

Dennis

Dennis:

I have some dates when the Honeywell team is available to meet with EPA -- October 1, 6, 7, or 8. In addition here is a list of the Honeywell team for the meeting. In addition to myself:

Phil Sparks, Senior Environmental Engineer, Hopewell Plant

Tim Love, HSE Director, Resins & Chemicals

John Sheridan, Hopewell Plant Environmental Manager

Jim Joslin, General Counsel, Resins and Chemicals

Mike Stoneberger, Regional Environmental Lead, Air

Nelson Johnson, Arnold & Porter.

Please let me know as soon as possible when you would like to schedule the meeting so we can make our travel arrangements. Also, please let me know who will participate for EPA.

Give me a call if you have any questions.

Tom
